

# Dr David Pothier

15 December 1973 - 27 July 2018

David Pothier passed away on July 27, 2018 in the early hours of the morning following a struggle with recurrent brain cancer. His passing extinguished a brilliant light, the likes of which few of us will witness in our lifetime.

## The David Pothier Travelling Fellowship in Endoscopic Ear Surgery

*"Live not as though there were a thousand years ahead of you. Fate is at your elbow; make yourself good while life and power are still yours." – Marcus Aurelius*

**T**he late David Pothier (1973-2018) was a giant in the field of endoscopic ear surgery, and his expertise and gifted teaching skills have benefited many surgeons and their patients both in Canada and around the world.

Please consider a donation to the David Pothier Travelling Fellowship in Endoscopic Ear Surgery. This fellowship by the IWGEES group will be awarded annually beginning in 2019 to support a new endoscopic ear surgeon to travel to a leading international centre for observation in the operating room, clinic, and participation in hands-on dissection courses.

**Sincerely yours,**  
**Daniel J Lee, MD, FACS**  
**Director, Paediatric Otolaryngology and Neurotology**  
**Associate Professor of Otolaryngology,**  
**Harvard Medical School**
